A Letter From Administration

This year, we have seen many successes at City View High School! Some of them include 17 December graduates and an anticipated 28 students to graduate in May.

The Arizona Department of Education recently released school letter grades for the 2018-2019 school year. We were disappointed to find that we received an F grade based on the AzMERIT exam. While student performance on standardized tests is important, we feel that this is not a good representation of what our students are doing and the amazing things happening at our school.

We are working to demonstrate our accomplishments and student progress. Teachers are using research-based strategies to address proficiencies in math and reading. Over the next 60 days, we will develop a plan for school improvement that is based on the following six principles: 1) Effective Leadership, 2) Effective Teachers & Instruction, 3) Effective Organization of Time, 4) Effective Curriculum, 5) Culture, Climate and Conditions, and 6) Family Engagement. Our process for drafting this plan will include a comprehensive needs assessment, a root-cause analysis, and development of an integrated action plan. In January 2020, we will have a meeting with school staff, parents/guardians, and other stakeholders where we will present the school improvement plan that results from the process described above.

We encourage you to join us in our year of growth and achievements. Thank you for partnering with us and ensuring your student is at school each day. We will do our part that our work with your student translates to academic indicators such as AzM2.

All donations can be dropped off in the CVHS lobby! We appreciate your support!

Student of the Month: Mekeileh Thomas

The Student of the Month is someone who displays the JAGUAR qualities every day. These students are often caught doing the right thing and making a positive difference in the school.

This month, Mekeileh is our Student of the Month! Mekeileh's positive attitude is contagious and noticed by staff and students every day. You can always count on Mekeileh to do her best, and always with a smile!

Thank you, Mekeileh, for all you do to make City View great!

Happy Thanksgiving from CVHS!

We hope the students, families, and staff of City View have a fantastic Thanksgiving! Thank you for celebrating with us!
